

***Your opportunity to work in PARADISE!***

## **NEW GRADUATE PHYSIOTHERAPIST POSITION AVAILABLE**

**Mackay's largest private physiotherapy  
clinic, operating for over 12 years.**

We are offering a 2 year full time employment contract, mentored by a clinical supervisor with 20 years' experience as well as having access to the rest of our team to maximise your educational opportunities. Our program has been refined over the last 6 years and provides an exceptional base for new graduates to safely cultivate and advance their clinical skills in private practice. We offer funding for external courses, regular in-services, 40% Commission and base pay above award. Our ideal candidate is interested in a 5 year investment in our career progression structure, is highly motivated, high achieving in a fast paced environment, has a proven work ethic, is business minded, an excellent communicator and possess great people skills.

You will be welcomed as part of our team of 13 Physiotherapists who follow evidence based treatments with patients' best holistic health outcomes always in mind. We share information as a team to deliver the best clinical outcomes. We value team culture and staff satisfaction, with flexible and responsive management. We are comprehensive, with longer than average consultations, thorough treatment plans and excellent communication skills. Our caseloads are varied, with options in elite sports, orthopaedics, neurology NDIS, pelvic floor and continence, occupational health, and complex-chronic conditions. Clinicians can structure their caseload to suit their own preferences.
