NEUROLOGICAL PHYSIOTHERAPY

If you need physiotherapy to improve your independence and community participation, you should include **'Improved Daily Living Skills'** in your NDIS plan.

This enables you to build your capacity to participate in everyday life by:

- assessing your current capacity
- providing a holistic therapy and exercise routine to facilitate your functional improvement
- teaching carers how to best assist you with your program

**AT YOUR NDIS PLANNING MEETING NOMINATE
MS QUEENSLAND AS YOUR PROVIDER OF CHOICE
